Dear Parents/Guardians,

MERGER OF EAST COAST PRIMARY SCHOOL AND DAMAI PRIMARY SCHOOL IN JANUARY 2019

1. Singapore's birth rates have fallen and young families have shifted to different housing estates. Therefore, some primary schools need to be merged to ensure that every school has an adequate number of students for a meaningful educational experience. Our students can then benefit from a wide range of learning programmes to develop their talents and to be well-rounded individuals.
2. We would like to inform you that **East Coast Primary School will be merging with Damai Primary School in January 2019**. The merged school will start operations in January 2019, at the existing Damai Primary School site at 52 Bedok Reservoir Crescent, Singapore 479226 (see location plan attached). We will inform you of the name of the merged school at a later date.
3. To prepare for the merger of East Coast Primary School with Damai Primary School, East Coast Primary School will not participate in the 2017 Primary One (P1) Registration Exercise (2018 intake). Instead, younger siblings of students from East Coast Primary School will be given the same sibling priority for admission to Damai Primary School and also to the merged school.
4. We understand that you and your child will have to make some adjustments. We will work closely with Damai Primary School and the Ministry to ensure a smooth transition for the students, and minimise disruption to the school's programmes and routines.
5. We thank you for your support for East Coast Primary over the years, and would like to seek your continued support for the merged school.
6. Should you have any queries or concerns on the above, please contact the General Office, at 62447652.

Thank you.
